LETTER.

To

The Secretary,
Bombay Public Service Commission.

No.1868/46-D. Bombay Castle, 31st December, 1952.

Subject:- Retention of displaced Government Servants in Government sergice beyond age of superannuation.

Reference your letter No.990/8813(a), dated the 24th December, 1952, on the above subject. Your presumption that the Commission will be consulted if the period of reemployment of a displaced Government servant is for more than one year in a post within its purview is correct.

S.G.Desai,

Deputy Secretary to the Government of Bombay,
Political and Services Department.

Copy, with a copy of the letter under reply forwarded for information and guidance to all Departments of the Secretariat (except the Separate Department).

Copy of a letter No. 990/8813(a), dated the 24th December 1952, from the Secretary, Bombay Public Service Commission, Bombay.

With reference to Government Circular, Memorandum, No.1868/46, dated the 17th November, 1952, regarding retention of displaced Government servants in Government service beyond the age of superannuation on the basis of re-employment, I am directed to state that it is presumed that the Commission will be consulted where the re-employment of a displaced Government servant is for more than a year in a post which is within the Commission's purview for purposes of appointment. The presumption may be confirmed.

Allocation of work among Deputy Ministers -

CONFIDENTIAL.

Government of Bombay,
Political and Services Department.
Circular No. 567/52-B,
Bombay Castle, 30th December 1952.

CIRCULAR

In Government Political and Services Department endorsement No.567/52/33890-B, dated the 1st October 1952, the Deputy Ministers have been authorised, while taking cognizance of grievances regarding all the departments in the districts assigned to them, to pass orders in respect of grievances and complaints pertaining to subjects allotted to them. Such orders, will be subject to the provisions of the Rules of Business and the Instructions issued thereunder. In particular, in all matters which involve revision of previous orders or decisions of Government or any departure from the settled policy of Government of involve any matter of policy, the procedure laid down for obtaining the orders of Government will be followed. In all such cases, the Deputy Minister should refer to the Minister or Ministers concerned and if necessary, the Chief Minister before the issue of orders. The Deputy Ministers, however, can, if the circumstances of a case so necessitate, direct suspension of further action pending issue of final orders, which may be passed by the Minister concerned on the Deputy Ministers reporting the facts to him.

llocation o.. among Deputy Ministers.

GOVERNMENT OF BOMBAY,
Political and Services Department,
Circular No. 567/52,
Bombay Castle, 9th January, 1953.

CIRCULAR.

With reference to the instructions issued in Government Circular, Political and Services Department, No. 567/52, dated the 17th October, 1952, it has been decided that the procedure is indicated below should be adopted in dealing with the notes by the Deputy Minister relating to grievances etc. from the Districts allotted to them.

On receipt of the notes from the Deputy Ministers in the Political and Services Department from the office of the Chief Minister as laid down in (a) of the Circular referred to above, the Political and Services Department should forward the relevant extracts of the notes to the Departments concerned together with the instructions of the Chief Minister for necessary action. The Departments should forward to the Political and Services Department, by a specified date which will be indicated in each case, a report of the action taken by them. Copies of orders issued by them should also be enclosed with the report. The Political and Services Department should then submit a consolidated report to the Chief Minister indicating the action taken on the various issues raised in the Deputy Ministers' notes.

Pending receipt of the Chief Minister's instructions through the Political and Services Department, the Departments should proceed to take action on the copy of the Deputy Ministers' notes received direct by them under (b) of the Circular of the 17th October, 1952, so that avoidable delay will be minimised.

Order of Government.

Communication of - to Local Bodies.

GOVERNMENT OF BOMBAY.

Local Self-Government and Public Health Department.

Circular Memorandum No. S-50.

Bombay Castle, 19th February 1953.

GOVERNMENT CIRCULAR MEMORANDUM.

Complaints from local bodies have been received by Government that the Secretariat Departments do not supply them with copies of orders issued by the Departments, which are of interest to the local bodies, e.g., local bodies are interested in orders regarding pensions or amendments to the Bombay Civil Services Rules as most of them have adopted Government rules in regard to leave, pension, etc., but such orders are not being sent to them. These bodies have, therefore, requested that such orders issued by the various Secretariat Departments should invariably be forwarded to them, if they are of interest to the local bodies.

2. Government has never objected to such orders being communicated to local bodies. The only restrictions imposed by Government in this regard are that the orders which are of general interest to the local bodies should invariably be self-contained and that all correspondence which it is intended not to be communicated to local bodies, should be printed apparately. In this connection the attention of the Secretariat Departments is invited to the orders issued in the Government Resolutions, General Department, No.6714, dated *21st April 1927 and *10th Aprul 2929.

(* 11th May 1926)

3. Government has also issued orders in the Government Resolution, Health and Local Government Department, No. S-164, dated *23rd December 1948 (which have been confirmed in the *Government Circular Memorandum, Local Self-Government and Public Health Department, No. S-50, dated 24th March 1950), to the effect that orders of general interest may be communicated direct to the local bodies by the Departments concerned.

4. The Secretariat Departments are requested to see that copies of orders which are of interest to local bodies are invariably supplied to the local bodies.

The Finance Department is particularly requested to see that all orders of a general nature with regard to pensions, leave, amendments to the Bombay Civil Services Rules, Financial Rules etc., are invariably communicated

GJT. 5.7.4 cs.

communicated to local bodies, as many of these bodies have adopted Government Rules for their employees.

5. In communicating such orders to local bodies however, it should be seen that the instructions contained in the Government Resolutions and Government Circular referred to in paragraphs 2 and 3 above are followed.

GOVERNMENT OF BOMBAY.

General Department.

Resolution No. 6714.

Bombay Castle, 11th May 1926.

- - Letter from the Director of Public Instruction, No. 69-230-D, dated the 24th September 1925:-

Resolution.- Government consider that the present procedure under which the Collector is selected as the medium of communication of the orders of Government to local bodies should be adhered to. They are also pleased to direct that in future all orders of Government which are of general interest to local bodies should invariably by self-contained and that all correspondence underlying the orders which it may be considered undesirable to communicate to local bodies should be printed separately the numbers and dates only of the communications being quoted in the preamble to the Government Resolution or in the accompaniments to it. Copies of the Government Resolution, together with the copies of the separately printed correspondence should be supplied to the Collectors as hitherto for their own use and for distribution to the officials subordinate to them where necessary. The additional copies to be supplied to Collectors for distribution to local bodies should be copies of the Government Resolution only without the separately printed correspondence.

2. As regards the communication of the orders of Government to School Boards of Local Authorities under the Bombay Primary Education Act, 1923, Government are pleased to direct that in future each Local Authority should be supplied by the Collector with two copies of the Government Resolution with which it is concerned, one for its own use and one for the use of its School Board.

GOVERNMENT OF BOMBAY.

General Department.

Resolution No. 6714.

Bombay Castle, 21st April 1927.

RESOLUTION OF GOVERNMENT.

It has come to the notice of Government that the text of Government Resolution No. 6714, dated the 11th May 1926, was communicated to a Local Body. This step was unnecessary and undesirable as the orders in that Resolution were intended for the guidance of Government officers and not of Local Bodies. It is the intention of Government that the orders contained in paragraph 1 of Government Resolution No. ~~26~~ 6714, dated the 11th May 1926, should

apply in cases where the orders are of general interest to local bodies. Government are pleased to direct that in all other cases Collectors or other officers of Government should not forward to a Local Body a Government Resolution as it is drafted. The orders of Government should be conveyed in the form of a letter with such accompaniments only as are necessary for the full appreciation of these orders and can be communicated without objection. Orders which are intended for the information and guidance of Government officers should in no case, be communicated to Local Bodies.

Resolution No. 6714.

Bombay Castle, 10th April 1929.

RESOLUTION OF GOVERNMENT.

In Government Resolution No. 6744, dated the 11th May 1926, it has been directed that all orders of Government which are of general interest to local bodies should invariably be self-contained and that all correspondence underlying the orders which it may be considered undesirable to communicate to local bodies should be printed separately. The Departments of the Secretariat are requested strictly to observe these orders.

2. In the case of orders of particular interest, definite instructions have been issued in Government Resolution, Confidential, No. 6714, dated the 21st April 1927, that the Government Resolution as received is not to be sent in original to local bodies by the Collector concerned. Government have reason to believe that these instructions are not in practice always observed and they consider that it is desirable that the Department issuing the Government Resolution should give explicit instructions to the Collector to forward a copy of the local body concerned in any case where it is not intended

for official use only. When no such intimation is given, the instructions in Government Resolution, Confidential, No. 6714, dated the 21st April 1927, viz., that the orders of Government should be conveyed in the form of a letter with such accompaniments only as are necessary, should be strictly followed. In no case should these accompaniments include the opinion of the Remembrancer of Legal Affairs without the express orders of Government.

Resolution No. S. 164.
Bombay Castle, 23rd December 1928.
RESOLUTION OF GOVERNMENT.

It has been brought to the notice of Government that the existing practice for correspondence between Government and the local bodies involves delays in its disposal and results in unnecessary increase of work in Collectors' Offices. Government, while recognising the force of this argument, wishes to point out that as the Collector is the controlling authority for all local bodies it is desirable that he should know the correspondence that passes between Government and Local Bodies There are, however, certain matters in which the Collector alone as Controlling Authority should initiate the correspondence between local bodies and Government. In such cases, correspondence will have to pass through the Collector at every stage. In order, however, to eliminate avoidable delays, Government, in partial modification of the instructions issued in Government Resolution, General Department, No. 2057, dated the 16th September 1927 is pleased to direct that communications of the following type should be sent direct to the local bodies concerned:-

(1) Government Resolutions and Government Circulars of General interest to local bodies;

~~(2) Letters calling for information pertaining to local bodies in cases in which it is considered that such information should be scrutinized by the Collector or the Commissioner replies should be sent through the Collector;~~

(2) Orders passed by Government on proposals made by Local Bodies;

(3) Letters calling for information pertaining to local bodies. In cases in which it is considered that such information should be scrutinized by the Collector or the Commissioner replies should be sent through the Collector;

(4) Communications calling for the views of the local bodies. In cases in which Government desires to have the views of the Collectors also, the local bodies should send their replies through the Collector. Specific instructions to this effect should be given to the local body concerned when calling for the information. Copy of the communications sent direct to local bodie should be invariably be endorsed to the Collector and the Commissioner.

Subject:- Use of Police Wireless Grid for routing urgent administrative traffic not connected with Law, and Order.

No.4591/5/50094-H. Dated the 24th July 1953.

The Government of India had shown its willingness to permit the use of Police Wireless Grid if the lack of normal Post and Telegraph channels in certain areas created situations in which routing of important administrative traffic not directly connected with Law and Order was indespensable. Government therefore examined the question and recommended to the Government of India that Government offices in certain areas in the ~~Government of India~~ State may be so permitted. The Government of India has now agreed that the Police Wireless Grid may be used for the routing of urgent administrative traffic not directly connected with Law and Order between the Taluka places shown in the accompanying statement and their District Headquarters. It has, however, emphasised that since the District Headquarters have Post and Telegraph facilities, such messages should be exchanged between the District Headquarters and its Taluka places only.

2. Government is accordingly pleased to direct that the Police Wireless Grid may be used to transmit
